

# THE 10<sup>TH</sup> INTERNATIONAL SYMPOSIUM ON CLIMATE CHANGE ADAPTATION

*Tuesday, 10 July 2018, Seoul, Republic of Korea*

*Seoul Press Center, International Conference Hall*

## 1. Introduction

Since its inception in 2009, the International Symposium on Climate Change Adaptation has been a yearly convening platform for related organizations to collectively discuss ongoing challenges in climate change adaptation and identify possible solutions through building a network and sharing knowledge. The theme of the 10<sup>th</sup> International Symposium on Climate Change Adaptation, to be held on 10 July 2018 at the Seoul Press Center's International Conference Hall in Seoul, is *advancing the governance of climate change adaptation*.

- **Title:** The 10<sup>th</sup> International Symposium on Climate Change Adaptation
- **Theme:** Advancing the Governance of Climate Change Adaptation
- **Date and time:** 10 July 2018 (Tuesday)
- **Venue:** International Conference Hall, *Seoul Press Center*, Seoul, Republic of Korea
- **Hosted by:** The Ministry of Environment of Korea
- **Organized by:** Korea Environment Institute (KEI)-Korea Adaptation Center for Climate Change (KACCC)
- **Participants:** Climate change adaptation specialists and representatives from development agencies, think tanks, academia, governmental organizations and international organizations.

## 2. Objectives

The objectives of the 10<sup>th</sup> International Symposium on Climate Change Adaptation are threefold:

- To exchange experiences and lessons learned from climate change adaptation governance and to discuss improving it
- To review the role of a boundary organization in climate change adaptation and discuss

the way forward for boundary organizations

- To Share experiences and lessons learned from the participatory approach to climate change adaptation and discuss the challenges and solutions for promoting it
